

Attorney Docket No. 7175-73312  
Application No. 10/670,941 (Filed September 25, 2003)

**REMARKS**

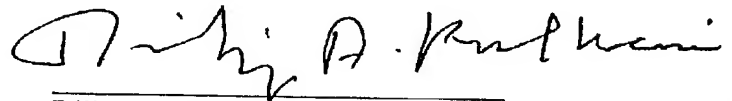

Claims 37-40 remain in this application. Claims 1-36 and 41-60 were canceled in a previous amendment. New claims 61-76 depending from independent claim 40 are added.

As indicated by the Examiner in the Interview Summary dated June 30, 2004, claims 37-40 would be allowable over Tekulve for the reasons stated therein. New claims 61-76 depend from claim 40, and are therefore believed to be allowable.

Thus, the subject application is believed to be in condition for allowance and such action is respectfully requested. If the Examiner believes that a telephonic interview would expedite the allowance of this application, he is requested to contact the undersigned for a prompt resolution of any outstanding issues.

Applicants submit that no fee is due in connection with the filing of this supplementary amendment. However, if any fee should be found to be due in connection with the filing of this supplementary amendment, please charge any fees that might be due to Barnes & Thornburg, Deposit Account No. 10-0435 with reference to our file 7175-73312.

Respectfully submitted,  
BARNES & THORNBURG
